

## Wool and Arts Committee Meeting

Tuesday, July 21, 2026 7:00 pm

Present: Laurie Moore, Lisa Proch, Julie Wolff, Ashley Westcott, JoAnne Booth, Harry Booth, Craig Hansen, Jennifer DeMoy

50/50 Raffle: I called the Comfort Food Community to let them know that we would like this money to go to them. I talked to Shea, she also gave me their promotional person contact information Anna@comfortfoodcommunity.org. They are interested in coming to the festival to promote their cause. I said Sara or I will be back in touch with them. Tickets will be \$5 or 3 for \$10.

Photo Contest: The tote bags are in, and will be sent to have the winning photo printed on them.

T-Shirts are in.

Children's Activities: Will add Boat pump races and veggies races to the youth building along with the pumpkin decorating. Craig will take care of the boat races and the veggies races.

Entertainment: Received a letter from a dance group to perform at the festival, discussed, decided not to have them. Ashley will let them know.

Pumpkin supply: Last year we purchased 10 bushels for children to decorate for \$300 from BJs Farm and they will supply pumpkins for decorating the festival grounds for 12 fair passes. Harry will pick up the passes from the office and deliver them.

Discussed possibly getting sheep herding back. Will ask Tami or Frank if they know anyone to contact.

Sheep shearing are we set with sheep? Will check with Frank and Tami.

I provided a list of what went into the vendor packets last year.
